Profile

Motivated and detail-oriented BCA graduate with a strong interest in Cloud Computing and IT infrastructure. Possessing foundational knowledge in Python, Linux, networking, CCNA, and AWS. Eager to apply technical skills and problem-solving abilities in a dynamic organization while continuously learning and growing in the cloud domain.

Technical Skills

- **Cloud & Networking:** AWS (Basics), CCNA, Networking Fundamentals
- **Programming & Tools:** Python (Basics), Web Scraping (Requests, Beautiful Soup)
- **Linux:** User Management, File Permissions, ACL, LVM
- **Soft Skills:** Communication, Teamwork, Problem-Solving
- **DevOps & Tools:** Git, GitHub, CI/CD concepts, Docker

Projects

Car Rental Management System

- Developed a system to manage car bookings, customer details, and rental records.
- Implemented features like vehicle availability tracking, booking management, and billing system.
- Utilized Python and database concepts for efficient data handling.
- Improved system usability by organizing and automating rental operations.

Linux Server Deployment on AWS EC2

- Provisioned EC2 instances and configured Linux-based environments for application hosting.
- Deployed Apache web server and managed system services.
- Improved storage efficiency using Logical Volume Management (LVM).
-

AWS Backup Automation using Lambda

- Engineered a serverless backup solution using AWS Lambda and EventBridge for automated scheduling.
- Optimized storage utilization by implementing EBS snapshot lifecycle policies.
- Integrated CloudWatch metrics and SNS notifications for monitoring and alerting.

Education

Bachelor of Computer Applications

(BCA) Bengaluru City University | 2022 –
2025 CGPA: 7.5

Internship

Web Scraping Intern

- Worked on web scraping projects using Python libraries such as Requests and BeautifulSoup.
- Extracted and processed data from websites efficiently.
- Gained hands-on experience in data collection, parsing, and basic data handling techniques.

Certifications

Linux Administration, CCNA,AWS Cloud and DevOps Training – Besant Technologies

Languages

English, Kannada, Telugu

Strengths

- Good communication and teamwork skills
- Strong interest in cloud and IT technologies
